The Augusters is a golfing league for all golfers (couples or singles; any skill level). One of our goals is to enjoy the game of golf while competing for a few prizes, bragging rights and enjoy the great outdoors. Goal number two: support a league that believes golf is a lifetime sport. Combine the above while enjoying old friends and making new acquaintances!!

The league does follow the rules of golf, adds a few unique games to the mix and has a few golf outings that are played at other golf courses.
