

First Tee-Phoenix

First Tee is a youth development organization that enables kids to build the strength of character that empowers them through a lifetime of new challenges. By seamlessly integrating the game of golf with a life skills curriculum, we create active learning experiences that build inner strength, self-confidence, and resilience that kids can carry to everything they do. We're Building Game Changers through our junior golf programs. At each age group, participants engage with the 5 Key Commitments: Pursuing Goals, Growing through Challenge, Collaborating with Others, Building Positive Self-Identity, and Using Good Judgement, while focusing on mastering golf fundamentals and building upon a golf skill foundation as they advance within the program.
